*Family movie event part of GPL's winter reading program*

Greenwood Public Library (GPL) is celebrating movies all winter with our Lights, Camera, Read winter reading. GPL is excited to host a Family Movie Night as the main event during winter reading. All ages are invited to attend an evening of fun centered around Maurice Sendak's *Where the Wild Things Are*.

"Our Family Movie Night is more than just a movie," stated Assistant Director Emily Ellis. "It's an event that brings together literacy, storytelling, and STEM in a fun, family-friendly environment. We'll get to explore the classic children's tale, *Where the Wild Things Are*, in new ways. And we'll even supply the popcorn!"

The free event will begin at 5pm with a family-friendly craft, followed by *Where the Wild Things Are* shadow puppet theater at 5:30pm. The feature film will begin at 6pm.
