

Teen Summer Reading Program

May 13 - July 27, 2019

What can I read?

Whatever you would like (except for fan fiction)! We're not picky. Books do not have to be checked out from GPL. You can read books, magazines, newspapers, or audiobooks from any genre and any length. Just keep track of the number of hours that you've read!

How do I log my hours?

You have options! You can 1) visit any desk at the Greenwood Public Library to get help from a staff member, OR you can 2) create an account at gpl.readsquared.com and log your hours from home. It's SUPER simple!

What are the incentives & prizes?

We hope you're reading just for the love of reading, but in case you need a little extra something to keep you motivated you can earn prizes and raffle tickets throughout the summer for every 10 hours read!

10 total hours read - a FREE candy bar + raffle ticket!

20 total hours read - + raffle ticket

30 total hours read - a FREE book + raffle ticket!

(But you can totally keep reading to earn more raffle tickets!)

Earn additional raffle tickets by attending programs!

(SEE REVERSE SIDE FOR FULL LISTING OF TEENHQ EVENTS!)

YOU COULD WIN

A Conner Prairie
Family Prize Pack

Tickets to the
Newport Aquarium

Franklin Skate Park
Tickets

Chick-Fil-A Family
Dining Pack

And more!!

MAY

Thurs | May 2 @ 6pm | Rover Challenge

You're stranded on Mars! Use your engineering skills and limited supplies to create a rover and find the missing parts you need to get home. Grades 6-12. Registration is required.

**** Mon | May 15 / June 17 / July 15 @ 6pm | Coder Dojo**

Learn more about coding, meet like-minded teens, show off what you've been working on, and make some new friends at this monthly program. Grades 5-12. Registration is required.

Fri | May 17 @ 6-9pm | Space D&D

It's Dungeons & Dragons, but in space! Spend the evening immersed in the classic role-playing game with a galactic twist! Newbies and experts are all invited. You are welcome to bring snacks (for yourself or everyone), and there will be pizza! Registration and a signed permission slip are required to attend. Grades 6-12.

Tues | May 28 @ 3pm | Cosmic Slime

It's ooey. It's gooeey. It's slimy too! Come drop in any time between 3-5pm to make some of your very own cosmic slime! Registration is encouraged. Grades 6-12.

JUNE

Fri | June 7 @ 6-9pm | Space Camp

Astronauts, aliens, asteroids, who know what you'll find at this astronomical after hours event. Registration and a signed permission slip are required to attend. Grades 6-12.

Tues | June 18 @ 3pm | Galaxy Art & Apparel

Drop in any time between 3-5pm to create your own galaxy art and apparel. Please bring a black or white cotton shirt (or other clothing item) to join in the fun, and be prepared to get messy! Registration is required. Grades 6-12

Thurs | June 27 @ 4pm | Spaceballs Interactive Movie

Join us for an interactive screen of Spaceballs! Take part in the action with props, sound effects, and snacks. Movie is rated PG for some language and violence. Registration required. Grades 6-12.

JULY

Fri | July 5 @ 6-9pm | Out of This World Murder Mystery

Join us for a fun, space-themed murder mystery. Be sure to stop by TeenHQ to pick up your character packet and permission slip. Costumes are encouraged and there will be a costume contest! Registration and a signed permission slip are required to attend. Grades 6-12

Thurs | July 11 @ 6pm | Connect the Stars Constellations

Do you want to learn what's so amazing that keeps us stargazing? Then come to this program! We'll learn about constellations while making a craft. Registration is required. Grades 6-12.

Tues | July 23 @ 3pm | Star Trek Wars Space Craft

This event is your final and ONLY HOPE to create a spacecraft this summer! Registration is encouraged. Grades 6-12pm
