Uses of the
Living Room

Our spaces grew in 2022 with the addition of:

- 6 new study rooms giving us a total of 11 study rooms available
- Studio 2.0, which expanded our makerspace
- the Business Hub with a variety of seating perfect for remote workers
- the GPL Living Room which provides a quiet and welcoming spot for supervised visits, family appointments, and counseling sessions

GPL BOOK BIKE LAUNCH

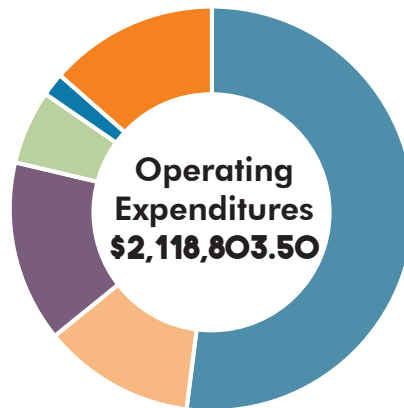

Programs were back in full force in 2022!
We also launched our GPL Book Bike which
allowed us to travel around the
community offering various
pop-up programs.
