[Best of Enemies: The Last Great Spy Story of the Cold War](#) by Gus Russo and Eric Dezenhall – NONFICTION TRUE CRIME POLITICAL Russo  
 In this book, two espionage cowboys reveal how they became key behind-the-scenes players in solving some of the most celebrated spy stories of the twentieth century, including the crucial discovery of the Soviet mole Robert Hanssen, the 2010 Spy Swap which freed Gennady from Soviet imprisonment, and how Robert De Niro played a real-life role in helping Gennady stay alive during his incarceration in Russia after being falsely accused of spying for the Americans. Through their eyes, we see the distinctions between the Russian and American methods of conducting espionage and the painful birth of the new Russia, whose leader, Vladimir Putin, dreams he can roll back to the ideals of the old USSR.
