Play "Follow the Leader" outside. Take turns being the leader.

9 TALKING

Use a fruit or vegetable your child loves. Talk about how it looks, tastes, smells, feels. Where does it grow? Where do you purchase it?

Play music with a fast tempo as you pick up and put away toys. Who can pick up the most toys?

11 COUNTING

Compare amounts.
You have more crackers than I do. I have more blueberries than you do.

12 READING

Vary your voice as you read. Use different expressions to help your child learn about feelings.

13 WRITING

Draw the outline of your child's hand on a piece of paper. Write the date and have your child "sign" the drawing. Save it.

14 PLAYING

Play the letter day game. Look for things that begin with the first letter of your child's name.

21 TALKING

At bedtime talk about where various animals sleep at night.

22 SINGING

Point out words everywhere you go today.

*I'm bigger than your hand and I'm in the kitchen. What am I?
Yes, A banana!*

27 TALKING

30 READING

Today, while reading to your child, use your finger to follow along with the words.

31 WRITING

Draw outside with chalk.

You are your child's first teacher, and your home is where your child begins to learn.

Make your home a great place to learn. It doesn't take money to create special places where you and your child can talk, sing, read, write, play, and count. Here are a few ideas.

PLACES TO READ

Create a special space for your children to look at books. Have a comfortable chair or pillows and a small shelf or basket for favorite books. Make sure there's room for you and your child to sit together and that your child can reach books without needing help.

PLACES TO WRITE

Make it easy for your child to write throughout the day. Set up a space where your child can go on his or her own and use writing materials. Provide pencils, crayons, or markers of different sizes so your child can write with what is most comfortable. Use unlined paper.

PLACES TO PLAY

Play requires a little space, simple props, and some imagination and encouragement. You don't need special toys or expensive electronics. Provide props like large boxes, old clothes or costumes for dress up, empty food containers, and empty paper towel rolls. Play comes naturally to young children and is one of the primary ways they learn. Provide plenty of opportunities for your child to play.

MARY HAD A LITTLE LAMB

Mary had a little lamb,
Its fleece was white as snow,
And everywhere that Mary went
The lamb was sure to go;
It followed her to school one
Which was against the rule,
It made the children laugh and play
To see a lamb in school.
