GPL launches new curbside service

Greenwood Public Library offering services even while doors are closed

Greenwood Public Library (GPL) is excited to now offer contact-less curbside pickup service! Patrons can place holds on the items they'd like either through our website or by phone. Once they have been notified their holds are available, they then park in one of our 4 curbside spots, give us a call, and we'll run their items out to them.

In addition to materials, GPL is also offering document services as part of their curbside offerings. Anyone who needs items printed, copied, scanned, or faxed can request those services through our website at www.greenwoodlibrary.us/documents and use our curbside spots to retrieve printed materials.

Curbside Details:

Available during the following hours:

Mon – Thurs: 11am – 6pm

Fri – Sat: 12pm – 4pm

Sun: Closed
