Foster Care Fair at Greenwood Library

Foster Care Event scheduled for August 28th

Greenwood Public Library (GPL) in partnership with the Rotary Club of Greenwood and Modern Woodmen are excited to offer a Foster Care Fair on Saturday, August 28th from 11am – 2pm.

Current and potential foster families are encouraged to attend. The fair will feature local organizations such as Resources of Hope, Safe Families for Children, First Steps, Adult & Child Health, and more.

Along with the organizational booths, GPL will also offer activities for families including a special craft and tours of The Studio and the future site of the GPL Living Room – a new space designed for supervised visitations.

Children in foster care will also receive an “I’m A Library Kid” resource bag which we hope will kick-start their library habit. These backpacks include lots of goodies thanks to our sponsors as well as a book the child can keep!

Visit our website www.greenwoodlibrary.us to learn more, or contact Ashley Ferrell at 317-881-1953.
