GREENWOOD, INDIANA

# WE LINK THE PAST WITH OUR FUTURE

We linked yesterday to tomorrow in  
a truly Woodman way.

Taking words of wisdom from our forefathers we planned our goals for the future. With energy, spirit, eagerness, and pride we gathered their experience to apply it in our school. "Nothing great was ever achieved without enthusiasm." These famous words said by Emerson inspired us with new spirit which we applied in school life, classes, clubs, and sports.

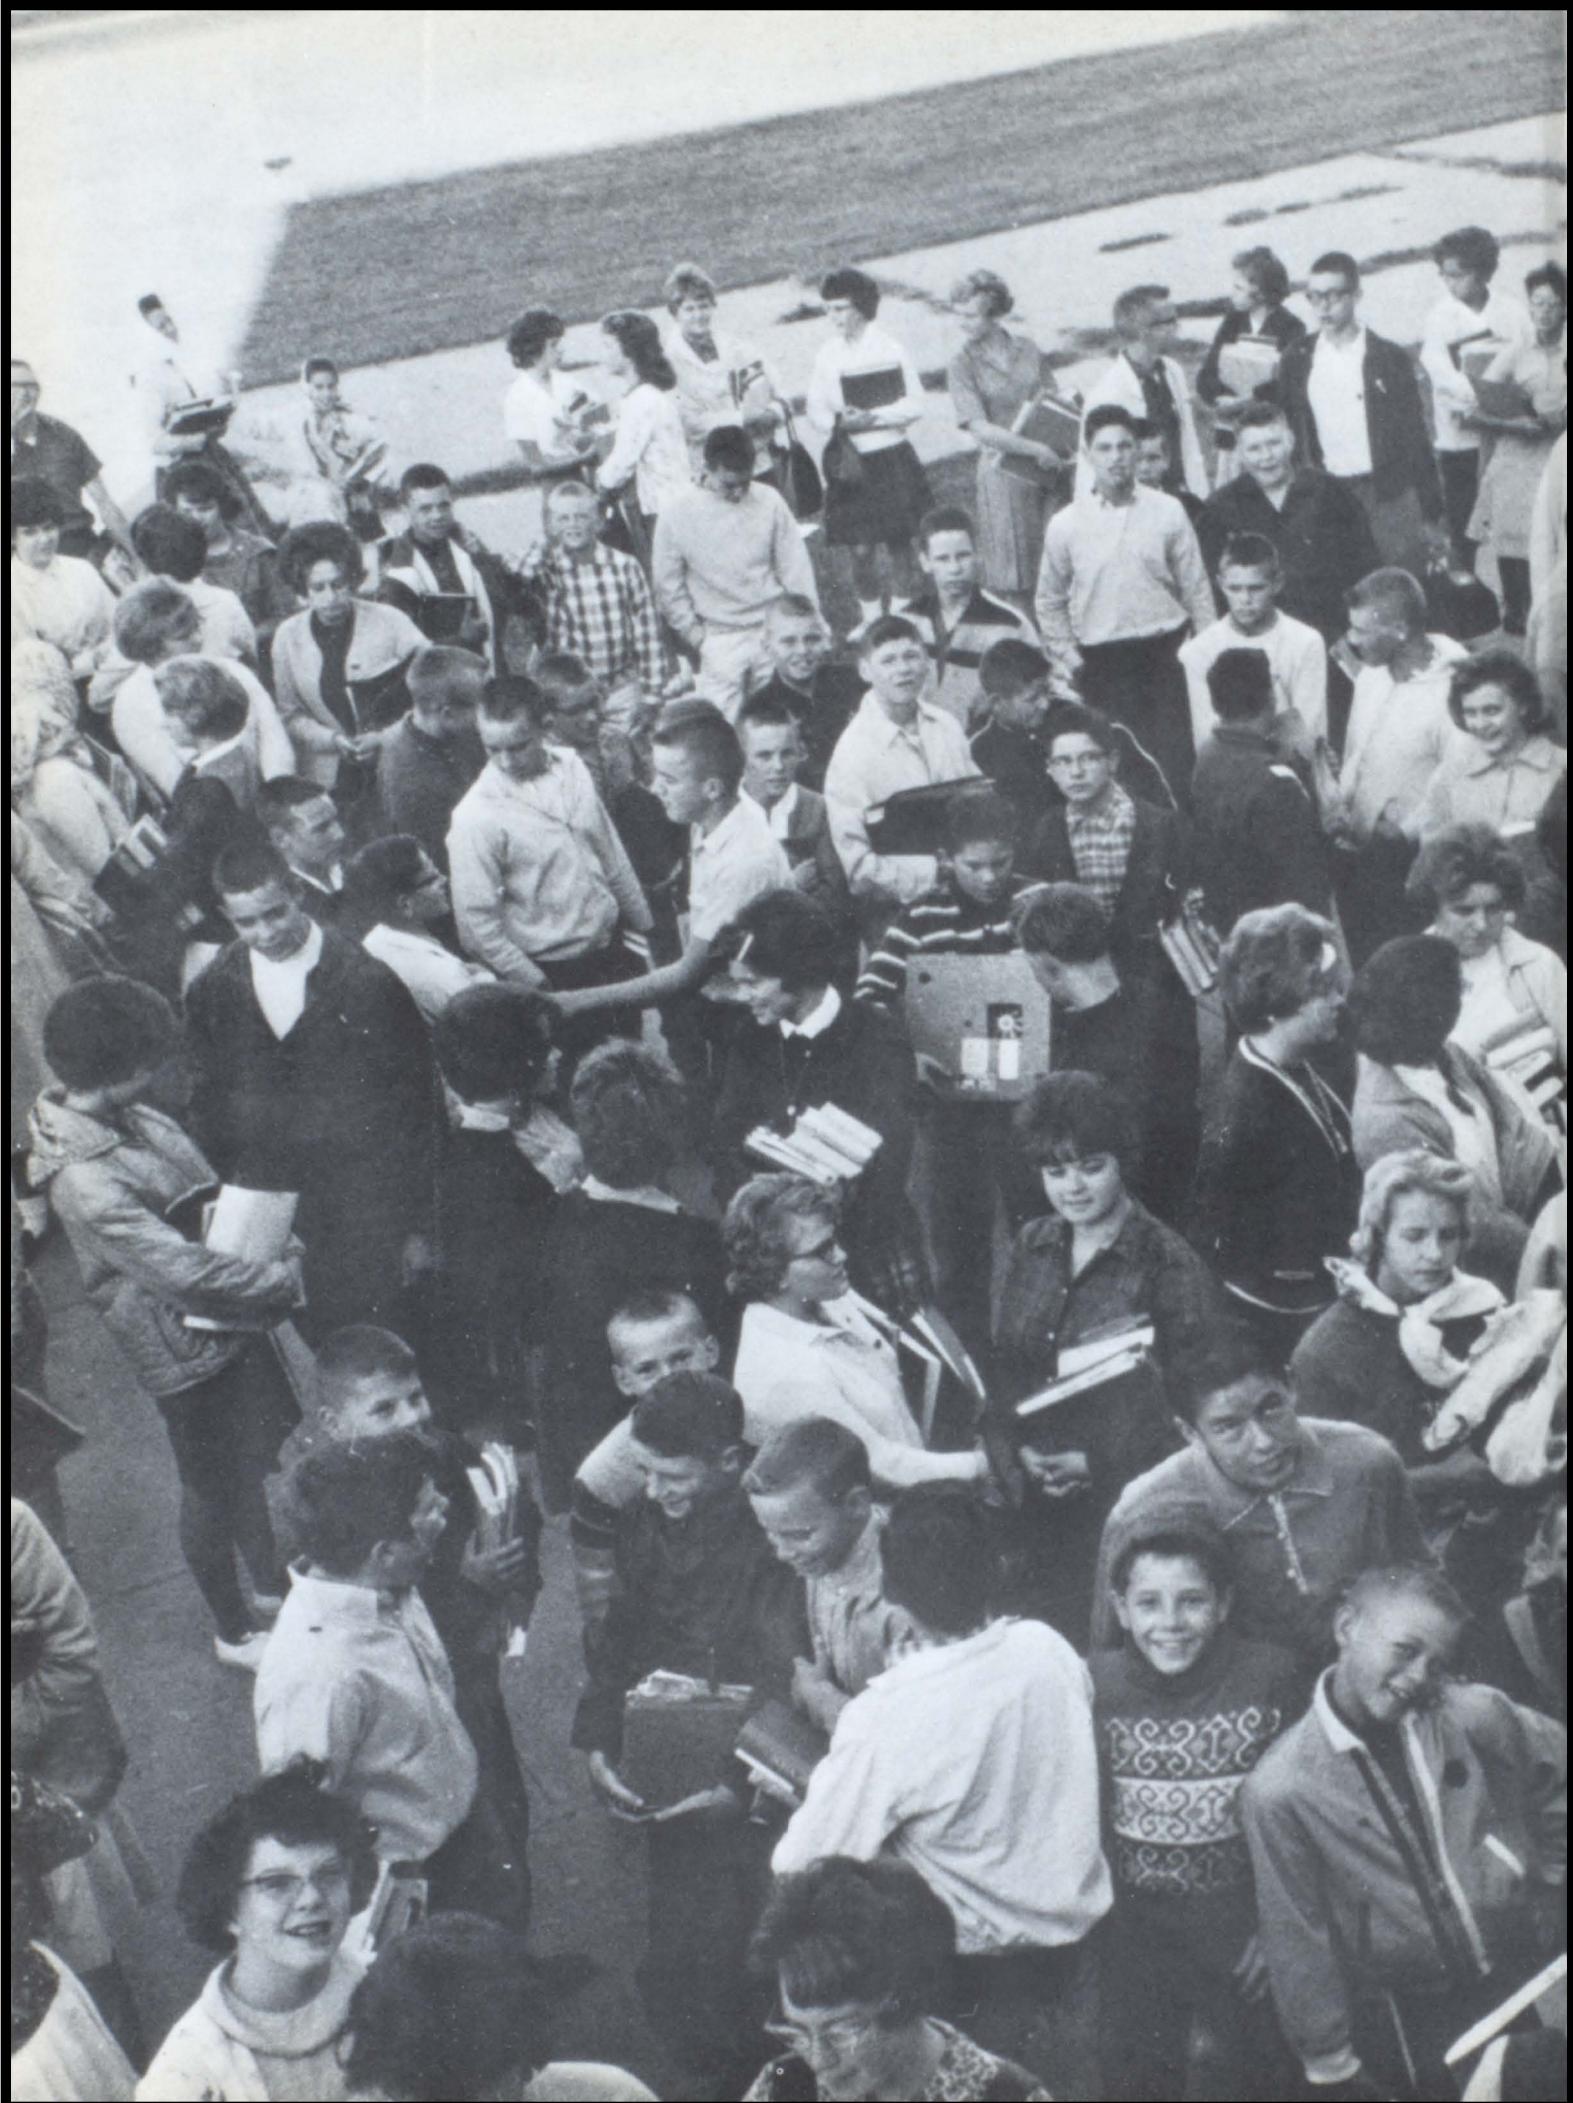

This was 1964 and we made it special. New say-

ings and fads were started. The convocations demonstrated the outstanding features of specific departments. Club projects and activities busied our lives. The halls were filled with signs boosting the team to victory. Our athletes trained for perfection. All of these things went into Greenwood High School in 1964. Using these attitudes we are able to modernize words of wisdom, "We Link the Past With Our Future."
